

## Description

At Amazon, we are working to be the most customer-centric company on earth. To get there, we need talented, bright, and driven people. Amazon is continually evolving and is a place where motivated workers thrive and where workers ownership leads to meaningful results.

The Amazon Team is looking for ambitious students to join us at the heart of our core consumer business. As a business analyst intern you will join one of our business intelligence, retail, or seller services teams. The role provides an opportunity to learn and understand Amazon business and processes, enhance analytical skills, and contribute to make significant business impact.

This Internship position is to be conducted in January of 2026 to January 2027.

Participants will join Amazon as Interns at our CDMX Office in Mexico

Job Responsibilities include:

- Working with operational, finance, retail and technical teams across the organization to identify opportunities, supporting the development of sound business cases and driving measurements of actions to continuously improve on the inputs and ultimately the outputs of the business
- Working with large volumes and big data, in a highly complex business

Working with business intelligence tools, accessing and working with big data from multiple sources, and partnering with the business to learn to identify strategic opportunities

## Basic Qualifications

- Knowledge of Microsoft Excel at an advanced level, including: pivot tables, macros, index/match, vlookup, VBA, data links, etc.
- Knowledge of SQL
- Speak, write, and read fluently in English
- Speak, write, and read fluently in Spanish

## Preferred Qualifications

- Experience using SQL
- Bachelor's degree or equivalent

Our inclusive culture empowers Amazonians to deliver the best results for our customers. If you have a disability and need a workplace accommodation or adjustment during the application and hiring process, including support for the interview or onboarding process, please visit <https://amazon.jobs/content/en/how-we-hire/accommodations> for more information. If the country/region you're applying in isn't listed, please contact your Recruiting Partner.
